

Snyder County Conservation District has Display, Honored at the Beaver Fair

The Snyder County Conservation District (SCCD) had a display at the annual Beaver Community Fair held in Beaver Springs from September 15-20, 2014. The display consisted of two themes: 1.) Manure management and erosion & sedimentation compliance for farmers and 2.) Activities that the SCCD has been involved with over the years. (Items from two cooperating agencies, USDA-Natural Resources Conservation Service and USDA-Farm Service Agency, were also placed on SCCD's tables.)

For more information about what we do, please contact the [Conservation District](http://www.snyderconservation.org) at 570-837-3000 or visit us at our website at www.snyderconservation.org.

On Thursday, September 18, the SCCD received a "Friend of 4-H" award for its commitment and assistance with the local 4-H program from the county's 4-H foundation during the fair.

For more information about 4-H, go to Penn State Extension's PA 4-H website: extension.psu.edu/4-h.
