

Conservation District has Display at the Beaver Fair

From September 18 through 23, 2017, the Snyder County Conservation District (SCCD) had a display at the Beaver Community Fair at Beaver Springs, PA. Displays and materials were set up explaining basic agricultural compliance and past and upcoming SCCD activities and events. Other educational items from SCCD were available for the public to pick up and take home.

Above: A display of pictures of events, workshops, activities the SCCD has held over the years along with handouts related to no-till and best management practices (BMPs) for farms and household stormwater management.

For more information about agricultural compliance and what we do, please contact the [Conservation District](http://www.snyderconservation.org) at 570-837-3000 or visit us at our website at www.snyderconservation.org.
