

### **Snyder County Conservation District 2018 Tree & Plant Sale**

The Snyder County Conservation District (SCCD) held another tree and plant sale in 2018. The pickup days were April 19 and 20, at the Conservation District office, located at 10541 Route 522, Middleburg, PA.

SCCD offered the following trees and plants: Norway Spruce, Red Oak, Paw Paw, American Persimmon, Winterberry, Honey Crisp Apple, Fuji Apple, Red Haven Peach, Bluecrop Blueberry, Seascape Strawberry and Dianthus. Seeds include Ginseng, French Marigold and Wildflower mixes. Again we are selling Shiitake Mushroom logs and Hop rhizomes. Also, the Conservation District sold bluebird boxes, tree planting bars, rain barrels, tree tubes and soil test kits.

Proceeds from the tree sale go towards education outreach.

Two days before the pick-up dates, five students from the Selinsgrove Area High School's Agricultural Education program helped the SCCD staff with packing tree orders. The students were under the supervision of Curt Swineford, their Agriculture Education teacher and FFA advisor.

*Left to Right: Students Levi Hoover, Jonathan Walter and Kyle Martin; Curt Swineford, Agriculture Education Teacher; Students Tony Royer and Garrett Benfer.*

Stay tuned for more information about the possibility of a 2019 sale by checking on our website's "[Items for Sale](#)" web page, or call [Craig Bingman](#), District Manager at 570-837-3000, extension 114 or Renee Swineford, Administrative Assistant, at 570-837-3000, extension 110.
