

High School Seniors Receive Conservation Awards

The Snyder County Conservation District traditionally gives at least one Conservation Award to a graduating high school senior in each public school in the county.

In 2019, the Conservation District was pleased to announce that the following students were presented a Conservation Award in their respective schools:

Mid-West High School
Dylan Hassinger

Selinsgrove Area High School
Kyle Martin

Each received a check for \$100.00. Selections were made by each of the high school faculties. Congratulations to you both.
