

Snyder County Conservation District 2019 Tree/Seedling Sale

The Snyder County Conservation District (SCCD) held its annual tree/seedling sale in 2019. The pickup days were April 17 and 28, at the Conservation District office, located at 10541 Route 522, Middleburg, PA.

SCCD offered the following trees: Norway Spruce, American Persimmon, White Oak, Red Maple, Chinese Chestnut, White Flowering Dogwood, Honey Crisp Apple, Fuji Apple and Sugar Giant Peach. Also available were Bees Knees Pollinator Wildflower Seeds, Deer Plot Seed, Bluebird boxes, tree tubes and soil test kits.

Proceeds from the tree sale go towards education outreach.

One day before the pick-up dates, several students from the Mid-West High School's Agricultural Education Department helped the SCCD staff with packing and sorting tree orders. (The FFA members that helped out were Breeann Boyle, Keenan Dietz, Connor Erdley, Ryan Frantz, Dylan Hassinger, Makenna Hoffman and Allison Rice. Their chapter advisors are Greg Erb and Kristy Etzler.) Brenyn Spatz, also from Mid-West High School, helped out as well.

Mid-West High School students helping SCCD staff members pack and sort tree orders.

There is a good chance that we will have a tree sale in 2020. Stay tuned at the beginning of next year by checking on our website's "[Items for Sale](#)" web page, or call Jason Winey, District Manager at 570-837-3000, extension 112 or Renee Swineford, Administrative Assistant, at 570-837-3000, extension 110.
