Snyder County Conservation District Bluebird Houses

If you are interested in attracting bluebirds on your property, this wooden bluebird house will be the way to go.

The Conservation District is selling them at \$8.00 each. They can be picked up at the Conservation District office while supplies last.

If you would rather construct one on your own, the Conservation District (570-837-3000) and the PA Bureau of Forestry Bald Eagle District Office near Laurelton, PA (570-922-3344) has directions on how to build them.

Note: Fees may change at any time and do not include shipping or handling. Contact [Renee Swineford](#), Administrative Assistant, at 570-837-3000, x110, for more information.
