

**Four-County Local Partners Workshop Held in Mifflintown**

The Mifflin, Juniata, Snyder and Perry County Conservation Districts held a workshop for local municipal leaders and officials and contractors on February 19, 2015, at the Central Juniata EMS Building, 47 CJEMS Lane, Mifflintown. Major sponsors included L/B Water Service, Inc., PA One Call Systems, Inc., KW Enterprises, Glenn O. Hawbaker, Inc., Larson Design Group and KB Industries. (Specifics are at the end of this release.)

About eighty (80) people attended the workshop. Topics presented during the workshop included:

- NPDES (National Pollution Discharge Elimination System) permitting
- Update on PA Title 25, Chapter 102 erosion control regulations
- PA Title 25, Chapter 105 stream and wetland regulations updates
- PA One Call requirements
- Erosion & sedimentation (E&S) and stormwater best management practices (BMPs)

Speakers came from PA Department of Environmental Protection (DEP) and staff members of PA One Call Systems, Inc. Major sponsors also gave small presentations to the group.

*Bill Himes (left photo) and George "Chip" Grose (right photo), both from DEP, speak about Chapter 102 and Chapter 105 issues.*
