Six-County E&S Engineers Workshop Held in Lewisburg

Conservation Districts from Columbia, Lycoming, Montour, Northumberland, Snyder and Union Counties held a workshop for erosion & sedimentation (E&S) engineers and plan writers on Tuesday, December 11, 2012, at the Union County Government Center, 155 North 15th Street, Lewisburg.

Approximately sixty people attended the meeting in which participants learned about the new rules and changes in the most recent updated E&S program manual from the PA Department of Environmental Protection (DEP). The newly announced “NPDES (National Pollutant Discharge Elimination System) Permit Decision Guarantee (PDG)” from DEP was also discussed during the workshop.

For more information about this workshop, preventing erosion and sedimentation (E&S) on construction and excavation projects, NPDES permitting or E&S control plan development and review, contact [Brain Herber](#), Resource Conservation Technician, at 570-837-3000, extension 113.
