Selinsgrove Grounds Tree Farm Tour Recap

The Central Susquehanna Woodland Owners Association (CSWOA), PA Tree Farm Program, with help from the Snyder County Conservation District (SCCD), hosted a Tree Farm Field Day event at the former Selinsgrove Center Farm Grounds located near Selinsgrove, Snyder County in May 2010. (This property is now managed by the SCCD.)

John Portzline, (standing above in both photos, green T-shirt) Assistant District Forester from District 7 in Laurelton, was the main speaker for the day. He promoted the efforts of the PA Tree Farm Program and the importance of having a Forest Stewardship Plan.

The tour also included a visit to a working sawmill maintained by the Middlecreek Valley Antique Association as well as a walking tour of the SCCD nature trail. SCCD currently manages the 440 acres, which includes 77 acres of woodland.

For additional information about the Tree Farm System and forestry stewardship plans:

- Go to our Woodland Management web page at www.snyderconservation.org,
- Contact the PA Bureau of Forestry's Bald Eagle District Forest office near Laurelton at 570-922-3344, or
- Check the American Forest Foundation's (AFF's) American Tree Farm System website (www.treefarmssystem.org)
