## **KEEP IT CLEAN**

Also in 2013, Eagle Scout Candidate Cameron Colyer, borrowed the Conservation District's stormwater stencils to mark drains in the Selinsgrove area during the summer.

Go to the Conservation District's "[Other Services](#)" webpage ([www.snyderconservation.org](http://www.snyderconservation.org)) and check out our [brochure](#) on the importance of keeping stormwater clean. Contact [Jason Winey](#), SCCD Watershed Specialist, to see if your organization would be eligible to borrow our stormwater stencils.
