- Remove bags, strings, and boxes

ALUMINUM CANS and FOIL

- Empty and rinse

CORRUGATED CARDBOARD

- Please empty and flatten
- No Styrofoam, plastic, bags, waxed cardboard, or wet/contaminated cardboard

IN SAME CONTAINER AS CARDBOARD YOU CAN INCLUDE:

- Junk mail – Envelopes (windows are OK) (No plastic envelopes or bubble mailers)
- Paperboard – Chipboard, cereal boxes, paper towel rolls, paper egg cartons. Office paper, phone books, hardcover and paperback books. Shredded office paper (please leave in plastic or paper bag)

NOTES

- If the recycling drop-off is open 6 or 7 days a week, please refrain from recycling during bad weather to give the local road crews a chance to concentrate on making the township roads safe for travel.
- Any drop-off that experiences contamination or dumping can decide to limit the hours of operation to control the situation. Many of our drop-offs are installing surveillance equipment to monitor the drop-offs.
- Please take your plastic bags and trash home with you.
- Each site is a little different. Please follow specific site instructions when using a recycling drop-off.
- Selinsgrove Borough has started collecting “Other Plastics” separate from the regular #1 and #2 bottles and jugs. They accept plastic buckets, #1 berry containers, deli containers, butter dishes & tubs, yogurt containers, and #3 through #7 containers. This program is limited to Selinsgrove Borough residents ONLY.
- Help to recycle will be available at the Penn Township Recycling drop-off on the 2nd Saturday of every month from 8 a.m. until 12 noon. The Selinsgrove Boy Scout Troop will be present to help residents recycle.
