Pulling for Freeburg Recycling

Dear Neighbor,

As you are probably aware, recycling is offered 7 days a week from dawn to dusk in Freeburg between Colonial Furniture and the sewer plant. This is a wonderful resource for our local community. However, Snyder County municipalities did not receive grant money from the commissioners this year to pay for container pulls from our recycling drop-offs. As a result, Freeburg is planning to reduce their hours and limit use to residents only, or even eventually closing.

Each pull costs \$150.00. A pull occurs when a container is full and must be transported to the recycling facility in Lycoming County. We are asking you to help support the continued operation of the Freeburg facility by donating money towards the pulls. We hope we can count on you for your support. Thank you in advance for being a sponsor.

Elizabeth Fincke and Beverly Menne

Board members of the SCSWMA (Snyder County
Solid Waste Management Authority)
