

Snyder County Conservation District 2023 Tree/Seedling Sale

The Snyder County Conservation District (SCCD) held its annual tree/seedling sale again this year. The pickup days were April 19 and 20 at the Conservation District office, located at 10541 Route 522, Middleburg, PA.

SCCD offered the following trees: Norway Spruce, Sugar Plum, Persimmon, American Plum, American Hazelnut, Paper Birch, Black Oak, Chinkain Oak, Winterberry, Honey Crisp Apple, Flavortop Nectarine, and Starfire Peach. Also available were wildflower seeds, deer plot seed mix, bluebird houses, oak tree stakes, mesh tree tubing, and soil test kits.

Bluebird houses for this sale were built and donated by SUN Area Technical Institute's Wood Design & Technology Program students and instructor, Bryan Seward.

Proceeds from this sale go towards SCCD education outreach.
