

### Snyder County Conservation District 2025 Tree/Seedling Sale

The Snyder County Conservation District (SCCD) held its annual tree/seedling sale again this year. Order pickup days were April 16 and 17 at the Conservation District office, located at 10541 Route 522, Middleburg, PA.

SCCD offered the following trees: Norway Spruce, Eastern White Pine, American Persimmon, Red Oak, American Hazelnut, Silver Maple, Chinese Chestnut, Domestic Apple, Common Pear, Black Elderberry, Honey Crisp Apple, Starfire Peach and Berkely Blueberries. Also available were wildflower seeds, deer plot seed mix, bluebird houses, tree protection tubes with stakes, and soil test kits.

Bluebird houses for this sale were built by SUN Area Technical Institute's Wood Design & Technology Program students and instructor, Bryan Seward (*Bottom left photo, this page*). Mid-West FFA students and their advisor, Kassidie Gunnell, helped the SCCD dip and pack trees and shrubs for the sale (*Top two photos and photos on next page*).

Proceeds from this sale go towards SCCD education outreach.

The SCCD expects to hold a tree/seedling sale in 2026. Stay tuned at the end of 2025 and early 2026 by checking on our website ([snyderconservation.org](https://snyderconservation.org)). Contact [Jason Winey](#), District Manager at 570-837-3000, extension 3, or [Renee Swineford](#), Administrative Assistant, at 570-837-3000, extension 0, to be placed on next year's mail/email list.
